REACH & RoHS Declaration of Conformity

Shenzhen Zaowubang Technology Co.,Ltd. hereby declares that all of the products that we supply are compliant with:

• the Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment and the Commission Delegated Directive (EU) 2015/863 of 31 March 2015, amending Annex II to Directive 2011/65/EU as regards to the list of restricted substances.

The presence of hazardous substances in each homogeneous material of the above item(s) does not exceed the permitted level as required by Annex II of the RoHS Directive as stated below:

Substance	Limit (% by weight per homogeneous	Notes
	material)	
Cadmium (Cd)	< 0.01%	
Lead (Pb)	< 0.1%	
Mercury (Hg)	< 0.1%	
Hexavalent chromium	< 0.1%	
Polybrominated Biphenyls (PBB)	< 0.1%	
Polybrominated Diphenyl Ethers (PBDE)	< 0.1%	
Bis(2-ethylhexyl) phthalate (DEHP)	< 0.1%	Added by 2015/863
Benzyl butyl phthalate (BBP)	< 0.1%	
Dibutyl phthalate (DBP)	< 0.1%	
Diisobutyl phthalate (DIBP)	< 0.1%	

REACH Substances of Very High Concern (SVHC)

European Union Regulation (EC/1907/2006) the Registration, Evaluation, and Authorization of Chemicals (REACH), Annex XIV, addresses Substances of Very High Concern (SVHC). This DoC applies to all substances that are included in the EU REACH's latest list of SVHCs published on the European Chemical Agency's (ECHA's) website at: http://echa.europa.eu/candidate-list-table

At this time and to the best of our knowledge, none of our products contain any REACH SVHCs above the 0.1% w/w (i.e., 1000 ppm) reporting threshold. This was determined through a careful investigation of our products by requesting and reviewing information from our suppliers on the raw materials used in the manufacturing of our product. We continues to actively monitor the EU's REACH regulations and to require our Suppliers to ensure they do not use any existing or newly listed REACH SVHCs in our products above the 1000 ppm reporting threshold.
